While not pertaining to performance I would argue a con for a stroker set-up is cost! you could use the \$2-3k that you would use to buy the kit and have the block machined and invest in a turbo set-up and megasquirt EMS and have more horsepower/tq for your money. sorry that might be off subject but cost should be factored in.

On the same note, we keep pointing all the new users at the FAQ as their first mode of defense. I'm creating this so we can create a supplementary FAQ. I'd also like to throw in here useful links to other 1.8t ...
