"The technology is very practical and uses icon based instructions. This makes it possible to vary shot sizes for any of the different cleaning methods including spray cleaning, bucket cleaning or scrubber driers, but it requires minimal user training or

Cleanzine - cleaning news, international cleaning news

The tube is lightweight and highly portable and provides water on demand, on site. There were many things we liked about it, but one of the things that really impressed us was the way it dealt with the different water pressures one has to cope with, so th
