Shit is a word considered vulgar and profane in Modern English. As a noun, it refers to fecal matter, and as a verb it means to defecate; in the plural ("the shits"), it means diarrhoea. Shite is a common variant in British and Irish English. As a slang term, it has many meanings, including: nonsense, foolishness, something of little value or quality, trivial and usually boastful or inaccurate ...

One day, when my brother was 18, he waltzed into the living room and proudly announced to my mother and me that one day he was going to be a senator. My mom probably gave him the "That's nice, dear," treatment while I'm sure I was distracted by a bowl of Cheerios or something. But for fifteen years, this purpose informed all of my brother's life decisions: what he studied in school ...

No. None of it. When you get a windfall, it goes straight to your highest-interest debt, or your mortgage, or to buy your next chunk of index funds or your next rental house. Why would you inflate your lifestyle, when you haven't even bought your freedom yet? Windfalls should be viewed as giant Groupon discounts on Freedom Itself.

Are some sexual positions better than others for conceiving? There's no evidence that any particular sexual position is more likely to lead to conception. You may have heard that some positions, such as the missionary position (man on top), are more promising than others because sperm is deposited closest to the cervix, but there aren't any scientific studies to back this up.

The following is an excerpt from the Red Pill Reddit forum I've been following recently. I had an emailer ask me to opine about this situation and, for as much as I'd like to brag about having a previous essay for any occasion, I realized I hadn't really covered this situation. Well, not in any great depth!
