Mirror, Mirror is a television programme co-produced by Australia and New Zealand. Presented as a single complete story given in a serial with 20 episodes, there are cliffhangers between some of the episodes.. Posie Graeme-Evans created the series, as well as being one of the executive producers. The other executive producers were Dorothee Pinfeld and Ian Fairweather.

Mirror, Mirror (TV series) - Wikipedia

I purchased this mirror in Dec 2017. Be careful when moving. Over time the legs wobble. The legs should be better build. If you move it much the screws have to be tightened.....over and over.

A mirror is an object that reflects light in such a way that, for incident light in some range of wavelengths, the reflected light preserves many or most of the detailed physical characteristics of the original light, called specular reflection. This is different from other light-reflecting objects that do not preserve much of the original wave signal other than color and diffuse reflected ...
