In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

The first word of this stanza, *Os* (Latin 'mouth') is a homophone for Old English *os*, a particularly heathen word for 'god'. Due to this and the content of the stanzas, several scholars have posited that this poem is censored, having originally referred to Odin. Kathleen Herbert comments that "Os was cognate with As in Norse, where it meant one of the *Asir*, the chief family of gods.
