The key author of the transition from romanticism to realism, Nikolai Vasilievich Gogol, is also one of the most important authors of the romanticism, and has produced a number of works which qualify as gothic fiction. His works include three short story collections, of which each one features a number of stories in the gothic genre, as well as many stories with gothic elements.

Gothic fiction - Wikipedia

A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...
