Building a Glitterhouse. Note from Editor: Howard Lamey, in Jacksonville, Florida, has retired from a full-time job in advertising that included designing window displays for a major retailer. Now he has turned those artistic talents to designing and building vintage-style cardboard buildings for his family and friends. Howard is building his own site, but he has graciously agreed to share ...

America's urban landscape is changing, but in ways not always predicted or much admired by our media, planners, and pundits. The real trend-setters of the future "judged by both population and job growth" are not in the oft-praised great "legacy" cities like New York, Chicago, or San Francisco, but a crop of newer, more sprawling urban regions primarily located in the Sun Belt and ...
