A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...

The Great American Songbook, also known as "American Standards", is the canon of the most important and influential American popular songs and jazz standards from the early 20th century. Although several collections of music have been published under the title, it does not refer to any actual book or specific list of songs, but to a loosely defined set including the most popular and enduring ...
