A parterre is a formal garden constructed on a level substrate, consisting of plant beds, typically in symmetrical patterns, which are separated and connected by paths. The borders of the plant beds may be formed with stone or tightly pruned hedging, and their interiors may be planted with flowers or other plants or filled with mulch or gravel. The paths are constituted with gravel or turf grass.

General Garden Maintenance: There can be no doubt that to keep a garden neat and tidy can take a lot of time and effort, although it can be very rewarding, watching the flowers bloom, pruning the shrubs, trees and bushes into a pretty and manageable shape, seeing the grass cut short and free from moss and weeds. But if you don't have the time or have health issues that prevent you from bending ...

The Heirloom Daffodil Orchard at England's Felley Priory. Featured on the cover of Gardens Illustrated, Felley Priory's Daffodil Orchard is the "crowning glory" of its "renowned gardens" and filled with nothing but heirlooms.. The Priory has been in the Chaworth-Musters family since 1822, but most of the daffodils were planted in the 1940s.
