AHIMA Home - American Health Information Management

Winter Weather Preparedness. The best time to prepare for severe winter weather is now. In order to reduce the risk of weather-related health problems and injuries, take this time to prepare before a winter emergency hits.

Virginia Department of Health

Protected health information (PHI) under the US law is any information about health status, provision of health care, or payment for health care that is created or collected by a Covered Entity (or a Business Associate of a Covered Entity), and can be linked to a specific individual. This is interpreted rather broadly and includes any part of a patient's medical record or payment history.

Protected health information - Wikipedia

A penalty will not be imposed for violations in certain circumstances, such as if: the failure to comply was not due to willful neglect, and was corrected during a 30-day period after the entity knew or should have known the failure to comply had occurred (unless the period is extended at the discretion of OCR); or
