The historicity of Jesus concerns the degree to which sources show Jesus of Nazareth existed as a historical figure. It concerns the issue of "what really happened", based upon the context of the time and place, and also the issue of how modern observers can come to know "what really happened". A second issue is closely tied to historical research practices and methodologies for analyzing the ...

The historicity of the Bible is the question of the Bible's "acceptability as a history", in the words of Thomas L. Thompson, a scholar who has written widely on this topic as it relates to the Old Testament. This can be extended to the question of the Christian New Testament as an accurate record of the historical Jesus and the Apostolic Age.. Many fields of study span the Bible and history ...
