Horndon-on-the-Hill was the site of an 11th century mint as well as the 15th century woolmarket which gives an indication of the area's wealth in the 15th century. The narrowing of the river where Tilbury now stands meant it was important in the defence of London, and Henry VIII built three blockhouses, two on the Tilbury side and another on the Gravesend side of the river, following the end ...

This is a summary guide to small private airstrips, mainly farm strips in Essex, please note the word –private–. While assembling the information I found that some listed no longer exist, I have checked wherever possible and believe the list to be complete but please accept that there might be errors/omissions as time moves on.
