Urgent care is a category of walk-in clinic focused on the delivery of ambulatory care in a dedicated medical facility outside of a traditional emergency department (emergency room). Urgent care centers primarily treat injuries or illnesses requiring immediate care, but not serious enough to require an emergency department (ED) visit. Urgent care centers are distinguished from similar ...

Medieval hospitals in Europe followed a similar pattern to the Byzantine. They were religious communities, with care provided by monks and nuns. (An old French term for hospital is h^ôtel-Dieu, "hostel of God.") Some were attached to monasteries; others were independent and had their own endowments, usually of property, which provided income for their support.

Health Care and Costs in Bermuda . Once, the hospital system was private sector. At that time, it was supported by charity with the efforts of visitors like Mark Twain and British Army then in Bermuda. Today, the costs to all who need the hospitals of Bermuda are not included in national direct and indirect taxes as they are in Canada and the United Kingdom.
