Appendix, supplement both mean material added at the end of a book. An appendix gives useful additional information, but even without it the rest of the book is complete: In the appendix are forty detailed charts. A supplement, bound in the book or published separately, is given for comparison, as an enhancement, to provide corrections, to present later information, and the like: A yearly ...

How Children Succeed introduces us to a new generation of researchers and educators who, for the first time, are using the tools of science to peel back the mysteries of character. Through their storiesâ€”and the stories of the children they are trying to helpâ€”Tough traces the links between childhood stress and life success.

1. Introduction. Governments are more and more utilizing data in all aspects of their functioning. Data science in government deals with the extraction, interpretation and presentation of insights from unstructured and structured data that can be either closed or opened. An important area of data science is to visualize the data in dashboards.
