Small establishments provided paid vacation to 70 percent of workers, whereas the benefit was provided to 85 percent of those working in medium-size establishments and 89 percent of those working in large

### **Employee Benefits in the United States - March 2018**

Employment is a relationship between two parties, usually based on a contract where work is paid for, where one party, which may be a corporation, for profit, not-for-profit organization, co-operative or other entity is the employer and the other is the employee. Employees work in return for payment, which may be in the form of an hourly wage, by piecework or an annual salary, depending on the ...
