Flexcon's corrugated plastic container line is by far the most versatile container on the market. We have it in hundreds of sizes, dozens of style and colors, and we also make this product in custom sizes with very little upcharge.

Corrugated Plastic Boxes & Containers | Flexcon

First step was to print the mask - you can use the provided templates, or use the original bahtinov mask generator, and then print it (any modern browser can open the generated .svg file, however chrome works better). In my case I had to print the mask on two pages. Then I cut one half of the plastic binder, and

attached to it my printed mask .
