force behind their success (or lack of success) in every interaction. Customers and team members respond to the way your people think and feel, whether they realize it or not. Like it or not, the success or failure of your organization hinges on the way employees interact with customers and each other.

### **5 Mindsets of Super Successful People - Lisa McLeod**

You see, personal success is achievable for anyone who practices the four areas or keys to success as I call them. Everyone wants personal success and to learn the keys to success. Everyone wants to have a happy, healthy life, do meaningful work, enjoy a career, and achieve financial independence.
