

song of the sparrows pdf

Sparrows are a family of small passerine birds. They are also known as true sparrows, or Old World sparrows, names also used for a particular genus of the family, Passer. They are distinct from both the American sparrows, in the family Passerellidae, and from a few other birds sharing their name, such as the Java sparrow of the family Estrildidae. Many species nest on buildings and the house and ...

Sparrow - Wikipedia

American sparrows are a group of mainly New World passerine birds, forming part of the family Passerellidae. American sparrows are seed-eating birds with conical bills, brown or gray in color, and many species have distinctive head patterns.. Although they share the name sparrow, American sparrows are more closely related to Old World buntings than they are to the Old World sparrows (family ...
