Interim management is the temporary provision of management resources and skills. Interim management can be seen as the short-term assignment of a proven heavyweight interim executive manager to manage a period of transition, crisis or change within an organization. In this situation, a permanent role may be unnecessary or impossible to find on short notice.

Customer-relationship management (CRM) is an approach to manage a company's interaction with current and potential customers. It uses data analysis about customers' history with a company to improve business relationships with customers, specifically focusing on customer retention and ultimately driving sales growth.. One important aspect of the CRM approach is the systems of CRM that compile ...

Foreword. With the publication of the Immunisation Handbook 2017 (the Handbook), it is once again appropriate to extend the Ministry of Health's thanks to everyone involved in supporting, promoting or delivering immunisations to the people of New Zealand. This Handbook has been designed as a comprehensive source of information on immunisation, to support you in the work you do.
