

### **sustainable tourism in rural pdf**

Rural tourism focuses on actively participating in a rural lifestyle. It can be a variant of ecotourism. Many villages can facilitate tourism because many villagers are hospitable and eager to welcome (and sometime even host) visitors.

### **Rural tourism - Wikipedia**

[[nid:24306]] Tourists spend more than \$200 billion dollars in developing countries every year, placing tourism in the top five export income-earning categories for 83 percent of developing countries. Because of its income and employment-generating potential and other economic multipliers, tourism encourages governÂ-ments and communities to value and protect the resource base on which tourism ...

ATTRA Sustainable Agriculture Program. ATTRA is a program developed and managed by the National Center for Appropriate Technology (NCAT). Our services are available to farmers, ranchers, market gardeners, Extension agents, researchers, educators, farm organizations, and others involved in agriculture, especially those who are economically disadvantaged or belong to traditionally underserved ...

### **ATTRA | National Sustainable Agriculture Information Service**

Sustainable agriculture can be understood as an ecosystem approach to agriculture. Practices that can cause long-term damage to soil include excessive tilling of the soil (leading to erosion) and irrigation without adequate drainage (leading to salinization). Long-term experiments have provided some of the best data on how various practices affect soil properties essential to sustainability.
