

teletraan i the transformers pdf

Sludge is a fictional character in the Transformers franchise. Sludge is a slow witted but powerful Dinobot. Sludge's strength is considered to be second only to Grimlock's in the Dinobot faction. Sludge also has the great power to shake the ground violently and make huge tremors when stomping around in his Brontosaurus mode, which is a good weapon for shaking up Decepticons.

Sludge (Transformers) - Wikipedia

The Transformers is a half-hour American animated robot superhero television series which originally aired from September 17, 1984 to November 11, 1987. The first of many series in the Transformers franchise, it was based upon Hasbro's Transformers toy line (itself based upon the Diaclone and Microman toy lines originally created by Japanese toy manufacturer Takara) and depicts a war among ...
