

### **telling tales storytelling as pdf**

Storytelling describes the social and cultural activity of sharing stories, sometimes with improvisation, theatrics, or embellishment. Every culture has its own stories or narratives, which are shared as a means of entertainment, education, cultural preservation or instilling moral values. Crucial elements of stories and storytelling include plot, characters and narrative point of view.

### **"Telling Tales at the Office" - Toastmaster Magazine | Say**

Oral storytelling is an ancient and intimate tradition between the storyteller and their audience. The storyteller and the listeners are physically close, often seated together in a circular fashion. Through the telling of the story people become psychically close, developing a connection to one another through the communal experience.
