

the abolition of man pdf

The Abolition of Man is a 1943 book by C. S. Lewis. Subtitled "Reflections on education with special reference to the teaching of English in the upper forms of schools," it uses that as a starting point for a defense of objective value and natural law as well as a warning of the consequences of doing away with or "debunking" those things. It defends science as something worth pursuing but ...

LEWISIANA: Summary of C. S. Lewis, The Abolition of Man

In his book, The Abolition of Man, Lewis was prophetic in pointing out that relativism—the idea that there are no absolute truths—would lead to the decay of morality and a lack of virtue within society. Without a belief in and the teaching of universal moral laws, we fail to educate the heart and ...
