America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

Though it may seem like a "basics" book, this is the standard which all canners should follow. I have done a lot of canning and have many books but when I started doing even more low acid foods (specifically mushrooms), I wanted to have this to be sure of all of the correct instructions and parameters.
