In films, an intertitle (also known as a title card) is a piece of filmed, printed text edited into the midst of (i.e. inter-) the photographed action at various points. Intertitles used to convey character dialogue are referred to as "dialogue intertitles", and those used to provide related descriptive/narrative material are referred to as "expository intertitles".

After two thousand years of Jewish hostility toward the Gospel is it possible for Jews to be saved? I say it's next to impossible. But of course, with God, all things are possible. First of all, there is NO special plan for the Jews. Jews, like everybody else, must embrace the Lord Jesus Christ ...
